Dear Parents / Guardians of Sec 1 Students,

**Pilot Project on Storage of Mobile Phones in Classroom Pouches During Lessons**

- Please note that the school is implementing the aforementioned pilot project for our Secondary One students to attain the following objectives:
  - Improving students' focus in class;
  - Improving teacher-student engagement in class and hence,
  - Improving student performance.
- From Wednesday, 27 June 2018, all Secondary One students will need to switch off their mobile phones during lessons and place them in individually labelled pouches at the front of the classroom. They will be allowed to use their mobile phones during their daily recess breaks and after their formal timetable ends for the day. If you have any urgent messages to relay to your child / ward during lessons, you can call the school at 6893 2564 and relay them to our General Office staff. They will get your child / ward to return your call as soon as possible.
- If you need more details or have any queries on this project, please contact Mr Devakumar (Lower Sec Year Head) or Ms Veronica Lam (Sec 1 Assistant Year Head).
- Thank you.

Regards,

Mr Chee Chit Yeng
